### 5.04.013.043/0000

# **RAMO** legending

#### fields of application

- > Measurement-control-regulation
- > Electrical engineering
- > Mechanical and system engineering
- > Signalling systems
- > Vehicle construction
- > Chemical industry
- > Industrial robots

### description

With the EDGE mounting bracket, the RAMO can be mounted on profiles and without additional insulating material housing. This offers freedom in mounting and new possibilities to place the components away from the central machine or device control panel.

#### technical data

Resistance to force on the side

tecinical data		
> general		
Packaging unit	2 pcs.	direct links
net weight	47.5 g	> RAFI eCatalog
MOQ order	2 pcs.	
RoHS compliant	Yes	
REACH compliant	Yes	
> mounting diameters		
Outside dimension, length	45 mm	
Outside dimension, width	40 mm	
Outside dimension, height	40 mm	
Grid, min.	40 mm	
> mechanical data		

The information in this data sheet only contains general descriptions and / or performance features, which may not apply precisely as described to the respective application, and which my change due to further product enhancements. The technical data, illustrations and other information about our products are the mere results of individual technical testing. These descriptions and other product features are only binding if they expressly agreed upon at the time of the conclusion of a binding contract. In all other cases, we reserve the right to make technical changes as well as changes of availability. Pictures and other graphic illustrations are approximations only. All product names may be trademarks or brand names of the RAFI Group or any other sub-supplier of RAFI. The use of such by any third parties for their own purposes may infringe the rights of the respective entity holding those rights.
