FLEXLAB, bezel, transparent, yellow

fields of application

- > Measurement-control-regulation
- > Electrical engineering
- > Mechanical and system engineering
- > Vehicle construction
- > Handheld terminals
- > Industrial robots

Yes

Plastic

description

technical data

>	general	

Bezel color yellow
Property of bezel / mushroom transparent
Operating temperature, min. -25 °C
Operating temperature, max. 70 °C

Operating temperature, max.

Storage temperature, min.

Storage temperature, max.

80 °C

illuminated

Packaging unit

10 pcs.

net weight

MOQ order

RoHS compliant

70 °C

-40 °C

0.1 °C
