

FLEXLAB, labelling sheet, printed, Langsamlauf, transparent

fields of application

- > Measurement-control-regulation
- > Electrical engineering
- > Mechanical and system engineering
- > Vehicle construction
- > Handheld terminals
- > Industrial robots

description

FLEXLAB stands for FLEXIBLE LABELING - flexible labelling of RAFIX or RAMO pushbutton and lighting indicator covers. FLEXLAB enables customers to label individually such compact elements.

standardized legend inserts are available for installation on pushbuttons. The available symbols (printed in black) are standardised and defined in accordance with DIN ISO 7000:2008-12. The legend inserts are pre-cut in 10 pieces and can be separated individually from the sheet.

technical data

> general

Legending	Langsamlauf
Color	transparent
Legending color	black
Packaging unit	1 pcs.
net weight	0.1 g
MOQ order	1 pcs.
RoHS compliant	Yes
REACH compliant	Yes
